Electives		9				
Total additional credits needed at UIU to complete degree**:			44			
Total transferable credits from HCC:			78			
Total Earned Credits:			122			

~~ NOTES ~~

** Upper Iowa University accepts associate degrees with a major in nursing from registered nurses (must have current license) as fulfillment of its general education requirements for the BSN program. Prerequisites are not waived.

Upper Iowa University offers an RN to BSN program at the Cedar Rapids Center, Mesa Center and Online. Prior to admission to the nursing program, students must show evidence of the following:

1. Licensure as a Registered Nurse in the state of attendance or a compact state if applicable.
2. GPA of 2.5 or higher and maintained.
3. Evidence of current CPR certification.
4. Evidence of meeting current health and immunization requirements.
5. Completed Criminal Background Check.

For additional information, please reference the Academic Catalog or UIU's website at: <https://uiu.edu/academics/undergraduate/nursing-rn-bsn.html>.

~~ NOTES ~~ *(continued)*

The UIU nursing program requires the successful completion of 12 courses (35 credit hours). The BSN degree requires the successful completion of a total of 120 semester hours, including transfer credit, and credit for coursework completed at UIU. All courses required for the nursing major must be completed with a grade of C- or above. If a grade below a C- is received, the course must be repeated. A course may only be repeated once.

Admission to the Hawkeye Community College RN program requires successful completion of a regionally-accredited Practical Nursing program with a cumulative GPA of 2.7 or higher. This program transfer guide was developed using the curriculum in Hawkeye’s Practical Nursing (LPN) and Associate Degree Nursing (ADN) programs.

LEGEND:

- # Transfer grades lower than a C- will not be accepted.
- • Course has a prerequisite.
- **Bolded** text indicates UIU recommendations.
- *Grayed out text* indicates courses fulfilled through transfer. Strikethrough indicates specific course if within grouping.

A minimum of 120 semester credits is required for a baccalaureate degree; up to 78 lower-division college semester credits from Hawkeye Community College. A minimum of 30 credits must be upper-division credits for a UIU baccalaureate degree; lower-division transfer work from Hawkeye Community College does not contribute to the upper-division credit requirement at UIU.

This program transfer guide is based on the May 2020 course-to-course articulation (UIU 2019-2020 catalog & HCC 2019-2020 catalog).

Every effort has been made to ensure the accuracy and completeness of this program articulation. The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
